公司简介

Company Profile

深圳工厂 ShenZhen Plant

苏州工厂 SuZhou Plant

南京工厂 NanJing Plant

德仕科技（深圳）有限公司是由德国EHLEBRACHT HOLDING AG集团在中国全额投资的一家提供综合性制造服务的企业,目前在中国大陆拥有深圳、苏州、南京三个制造基地。主要从事精密塑胶模具设计制作、精密塑胶产品注塑生产以及各类灯具研发设计和生产制造。服务的行业包括家电、汽车、医疗、消费类电子及照明等。

秉承德国集团近百年积累的精密高效生产专业技术，公司为客户提供从产品设计、模具制造、注塑、二次加工到装配、物流配送、售后服务于一体的“一站式”OEM服务。

凭借优良的品质、专业的服务，本着“精益求精、持续发展、顾客至上、互利共赢”的经营理念，德仕科技拥有众多国际知名客户，如 B/S/H、GE、Miele、Haier、Rosenberger、GF、Yazaki、Valeo、Adient、OSRAM、Draeger等。

ELEKTRA Industrial China Co., Ltd. was fully invested by EHLEBRACHT HOLDING AG from Germany, now we have 3 plants which located in Shenzhen, Suzhou, and Nanjing, China.

From the development to the delivery, EIC offers high product quality and reliable service from one source for mold design and manufacturing, plastic injection, components assembly and researching and developing vary kinds of lightings in the Automotive, Home appliance, Medical equipment, Consumer electronics and other industrial fields:

- Mould design & engineering
- Mould manufacture
- Plastic injection moulding
- Components assembly
- Metal processing
- Packaging
- Logistics

We inherited the efficient and precise technologies from Germany, supplying high quality products and excellent services to our clients such as B/S/H, GE, Miele, Haier, Rosenberger, GF, Yazaki, Valeo, Adient, OSRAM and Draeger etc.

Trust builds up by performance – do get in touch with us!

2004

Foundation of Company in Shenzhen, China
Production area: 5,000 square meters

2005

EIC Shenzhen was awarded ISO9001 and ISO14001 certifications

2008

EIC Shenzhen expanded production area to 20,000 square meters

2009

EIC Nanjing established
Production area: 3,500 square meters

2010

EIC Suzhou established
Production area: 15,000 square meters

2012

EIC Suzhou was awarded ISO9001 and ISO14001 certifications

2013

EIC Shenzhen was awarded ISO/TS16949 certification

2015

EIC Shenzhen expanded production area to 45,660 square meters
EIC Shenzhen was awarded OHSAS18001 certification

2016

EIC Suzhou expanded production area to 42,800 square meters

2017

EIC Suzhou was awarded IATF16949 certification
EIC Suzhou built 100,000 level Clean Injection room

2018

EIC Shenzhen and EIC Suzhou were awarded ISO13485 certification
EIC Suzhou was awarded ISO45001 certification

2019

EIC Shenzhen was awarded AEO certification
EIC Shenzhen was awarded National High Technology Enterprise certification
EIC Suzhou built Printing room

2021

EIC Shenzhen was awarded National High Technology Enterprise certification again
EIC Shenzhen expanded SMT production line

2023

EIC Shenzhen was awarded Shenzhen Innovative Enterprise certification
EIC Shenzhen was awarded Shenzhen Specialized Special New Enterprise certification

模具设计与工程 Mould Design & Engineering

德仕科技设计团队由60多名专业人员组成，精通CAD/CAE/CAM等各种模具设计软件，拥有汽车、家电、医疗、工业等各种行业产品的多年设计经验。我们时刻牢记，优良的设计是制作高效、高精度模具的关键。

德仕科技设计团队与其它职能部门如项目部、模具制造部、品质部、工程部等共同协作，为客户提供专业化服务。我们的每一套模具在设计之前，均由设计、项目、模具制作、品质工程、市场等部门人员共同召开项目启动会议，会议中将深入分析图纸信息、客户要求、特殊材质特性等，以实现最优的模具设计方案。会议结束后，我们将整理出详细的模具设计分析报告及模流分析报告予客户进行评审。在得到客户确认后，我们将开始3D模图的构建，并将再次发给客户确认审核，以确保客户的要求得到充分满足。

EIC has more than 60 designers who own strong skills in the molds designing software CAD/CAE/CAM, with rich design experience in the Automotive, Home Appliances, Medical and other industrial fields. We are deep known that outstanding molds design is the core of high precise molds making, our project team will call for a kick-off meeting to analyze part drawings, understand special requirements before we design molds, after meeting, we will send customers detailed mold design analysis reports and mold flow analysis reports for review, we also will send 3D mold layout to customers for double-check and be sure we can fully satisfy customers' requirements.

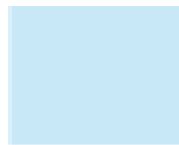

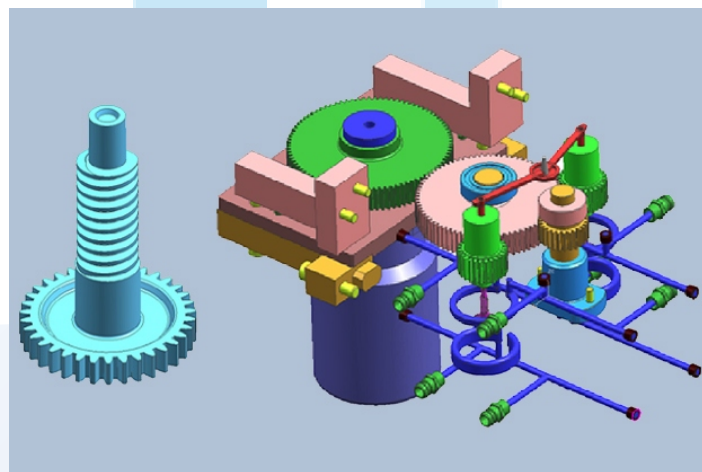

项目管理 Project Management

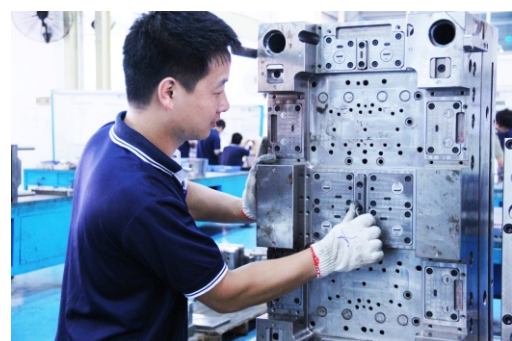

我们的项目管理团队提供全面和有效的方法使复杂的产品得以高效生产，我们拥有独特的技术经验及遍布行业的成熟资源。从概念到量产，德仕科技是提供高效优质一站式服务的有效资源。

EIC professional project management team uses comprehensive and efficient skills to manage complex projects effectively. With our owned special technological experience and resources throughout different industries, EIC is providing customers one-stop service from preliminary design conception to series production.

模具制造车间 Mould Manufacturing Shop

德仕科技工模制造车间配备了各类从欧、美、日进口先进的模具加工设备和检测设备，如德国DMG、日本FANUC、MAKINO、MORI和MAZAK精密高速加工中心，瑞士阿奇夏米尔和日本沙迪克精密线切割、精密火花机设备等；目前拥有近300名经验丰富、技术娴熟的专业制模技师。

德仕模具从模具加工和制模、检测设备，到模具设计和加工理念均与世界水准保持一致，赢得了国内外众多知名客户如B/S/H、GE、Miele、Haier、Rosenberger、GF、Yazaki、Valeo、Adient、OSRAM、Draeger等的赞誉。

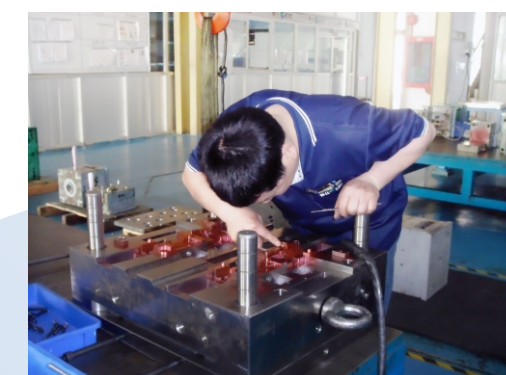

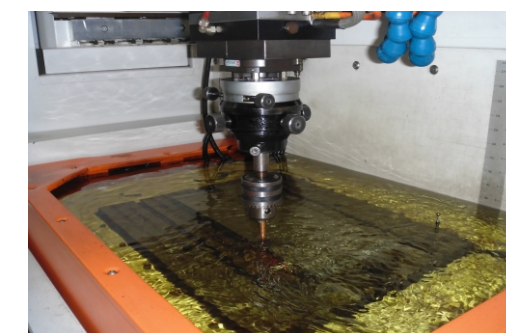

EIC Mould Manufacturing Shops are well equipped with many advanced machines which imported from Switzerland, Germany and Japan, such as AgieCharmilles and Sodick Wirecut and EDM, DMG / Fanuc / Makino / Mori and Mazak CNC machines etc. Furthermore, to ensure the quality, EIC Mould Manufacturing Shops possess many precision inspection machines, such as 3D Scanner and CMMs, hardness testers, tool microscopes, electronic height gauges and others.

Currently, EIC Mould Manufacturing Shops have about 300 skillful engineers with rich mould manufacturing experience. EIC Mould Manufacturing Shops have been succeeding in serving project management, technical support, mould & product design and manufacture, quality test and after-service for worldwide famous enterprises such as B/S/H, GE, Miele, Haier, Rosenberger, GF, Yazaki, Valeo, Adient, OSRAM, Draeger and many other renowned enterprises.

塑胶注塑车间 Plastic Injection Moulding Shop

德仕科技经过十多年的不断发展壮大，现深圳工厂与苏州工厂已拥有100多台从德国、日本进口的40吨到1000吨的不同注塑成型机，其中包括日本东芝、日钢和日精高速精密全电动注塑机、奥地利恩格尔双色注塑机、奥地利恩格尔和德国BOY立式注塑成型机等高精度注塑设备，公司所有的注塑机全部配备机械手及全自动除湿干燥供料系统，苏州工厂还配备了中央供料系统，从加料到产品包装，达到基本自动化，实现了叠层、镶件、包胶、双色等现代化专业精密注塑。

With more than 10 years of continuous development, now EIC has more than 100 injection machines ranging from 40 ton to 1000 ton of clamping force, including TOSHIBA, JSW and NISSEI high speed electric injection machines, furthermore, we have equipped with ENGEL 2K injection machines, ENGEL and BOY vertical injection machines and others. All injection machines are equipped with robot arms, automatic material feeding and drying system to achieve fully automatic production. We are heading to be a professional modern precise plastic injection molding manufacturer.

EIC注塑机台一览表

汽车类模具/注塑产品
Automotive Moulds/Plastic Parts

我们生产的汽车类产品主要有：

1. 车灯模具/塑胶制品
2. 马达、轴承模具/塑胶制品
3. 内饰件模具/塑胶制品
4. 车身结构件模具/塑胶制品

The main Automotive Products:

1. Moulds and Plastic Components for Automotive Lighting
2. Moulds and Plastic Components for Motor/Bearing
3. Moulds and Plastic Components for Interior parts
4. Moulds and Plastic Components for Car Body

典型直接客户 Typical Direct Customers:

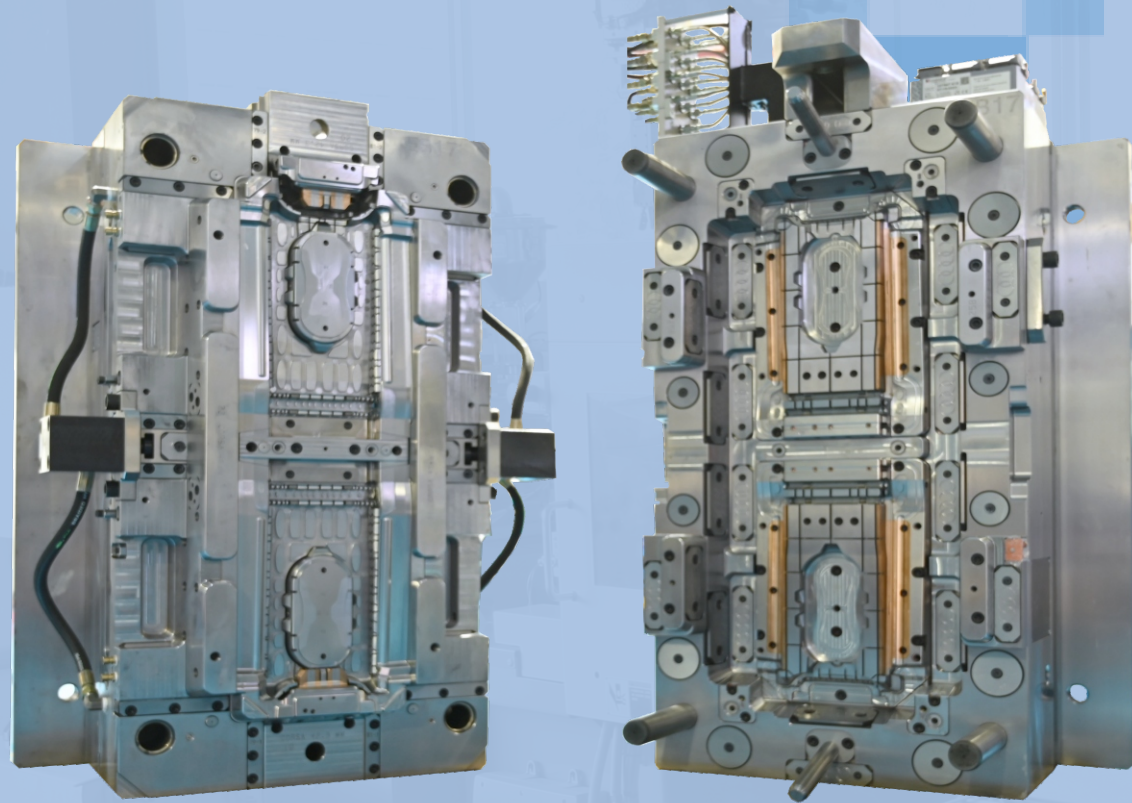

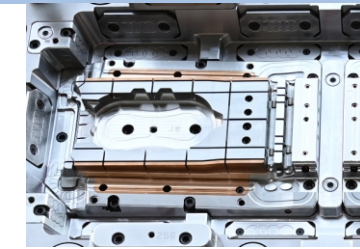

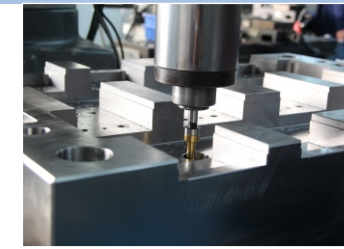

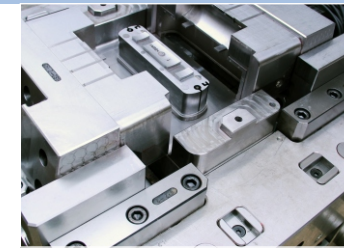

典型间接客户 Typical Indirect Customers:

汽车类模具/注塑产品

Automotive Moulds/Plastic Parts

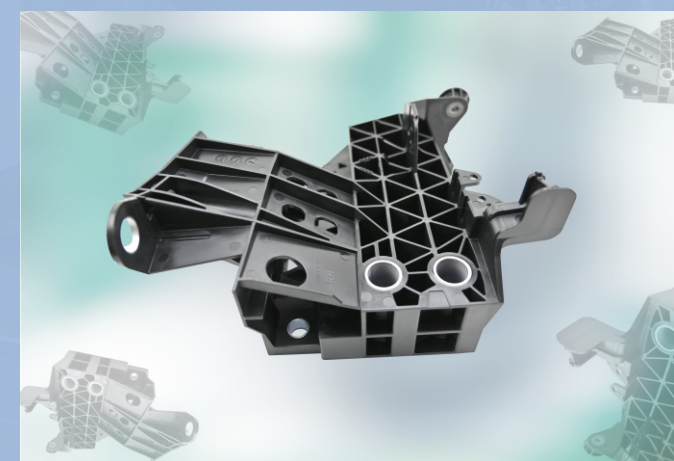

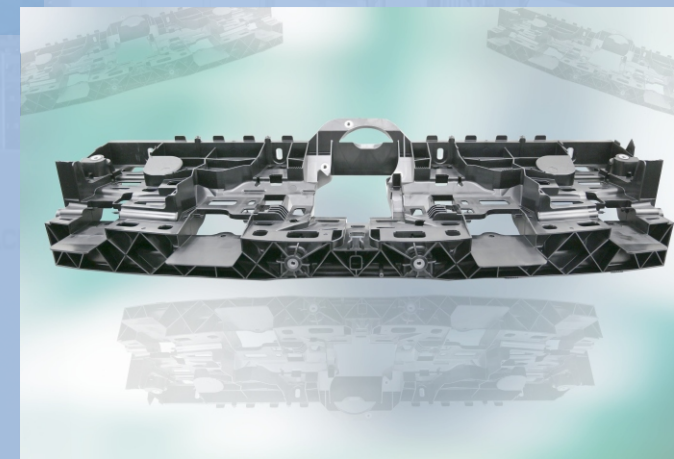

我们生产的大型汽车产品主要有：

1. 保险杠横梁模具/塑胶制品
2. 减震器模具/塑胶制品
3. 中控扶手模具/塑胶制品

The main large-scale Automotive Products:

1. Moulds and Plastic Components for Automotive Bumper.
2. Moulds and Plastic Components for Automotive Shock absorber.
3. Moulds and Plastic Components for Automotive center console armrest.

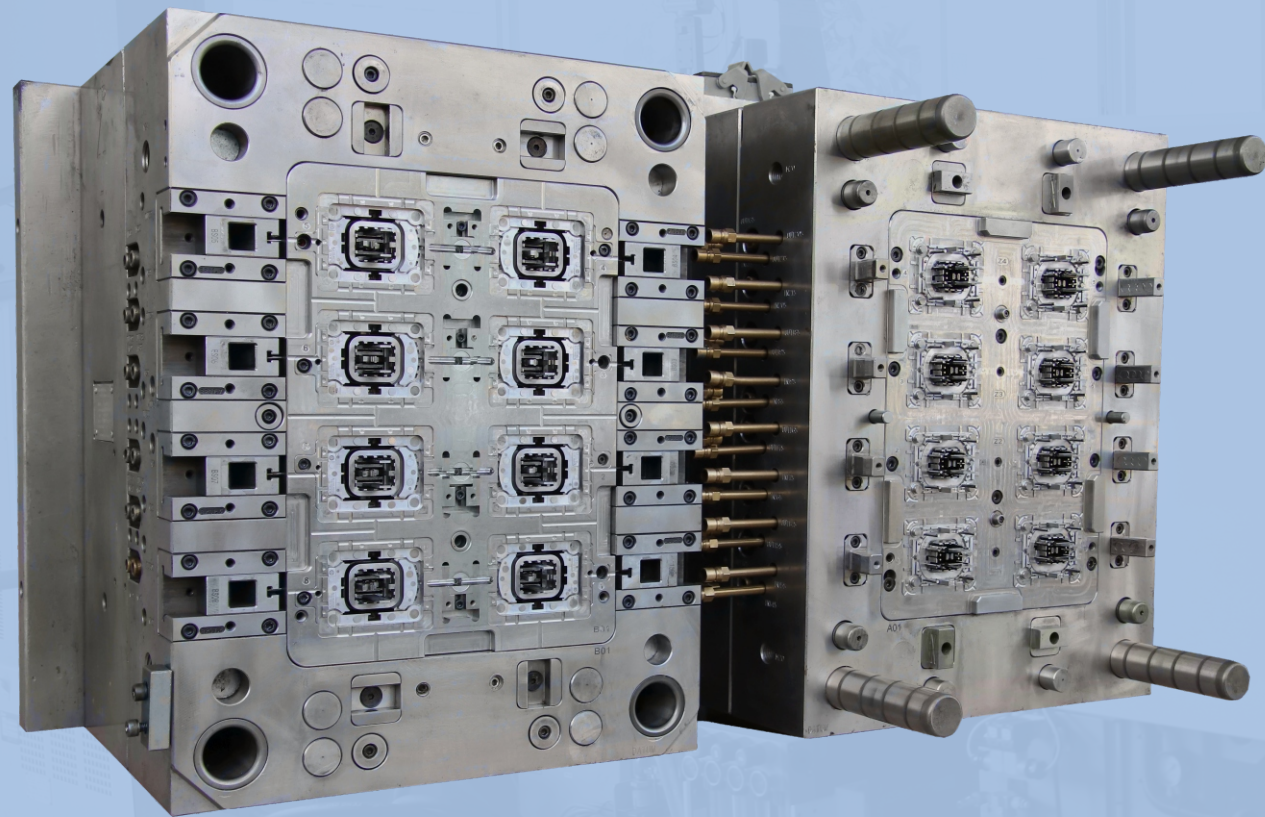

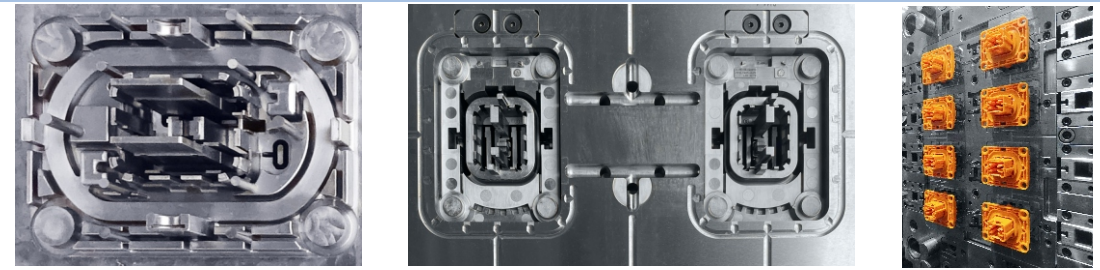

典型间接客户 Typical Indirect Customers:

汽车类模具/注塑产品/汽车连接器

Automotive Moulds/Plastic Parts/Plastics for Connector and Sensor

我们生产的汽车连接器产品主要有：

- 1. 高压连接器模具/塑胶制品
- 2. 低压连接器模具/塑胶制品

The main Automotive Connector Products:

- 1. High Voltage Connectors for Electric Vehicles.
- 2. Low Voltage Connectors for Fuel Vehicles.

典型直接客户 Typical Direct Customers:

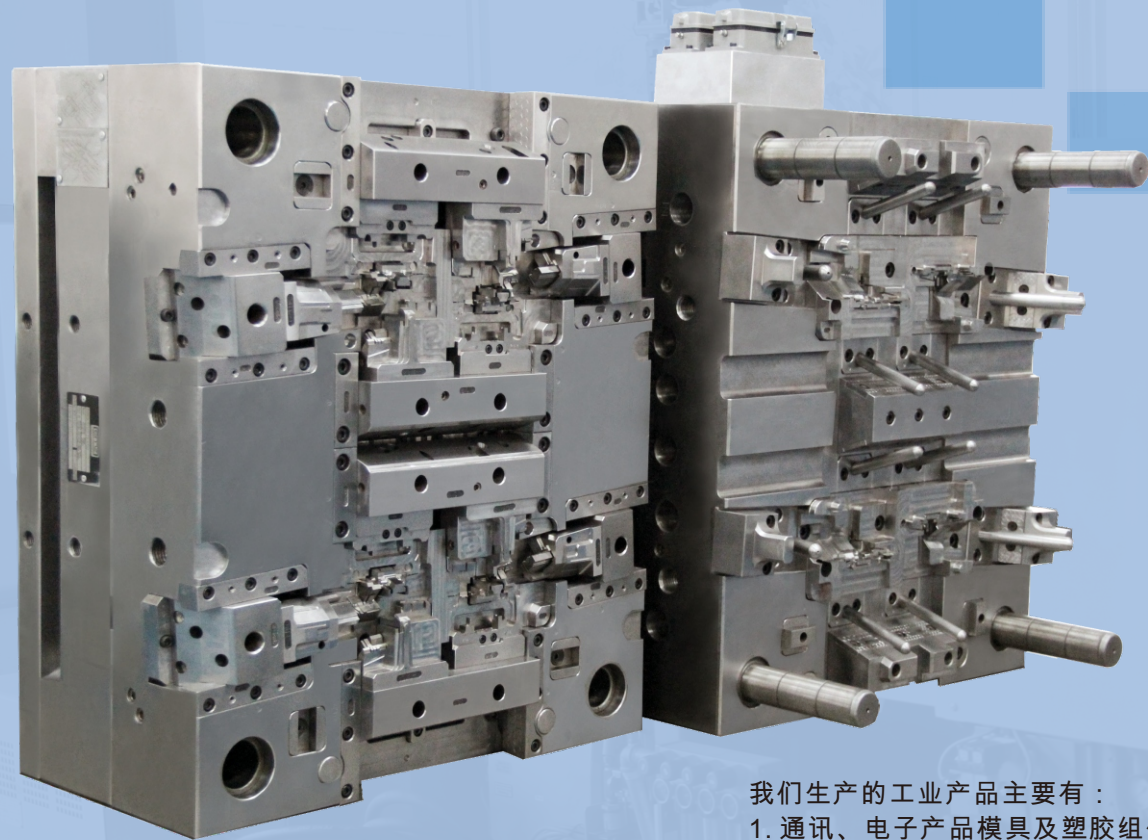

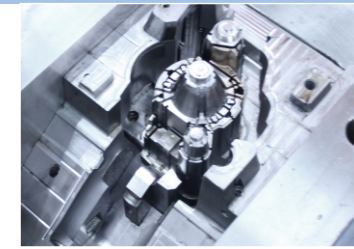

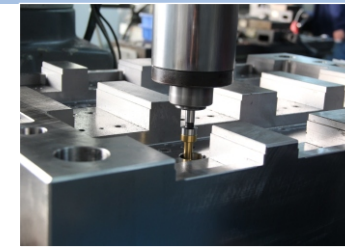

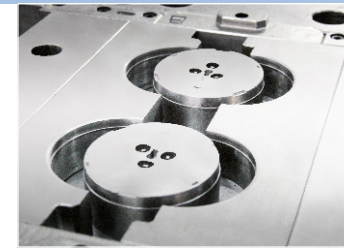

典型间接客户 Typical Indirect Customers:

工业类模具/注塑产品

Industrial Moulds / Plastic Parts

我们生产的工业产品主要有：

1. 通讯、电子产品模具及塑胶组件
2. 工具、测量产品模具及塑胶组件

The Main Industrial Products:

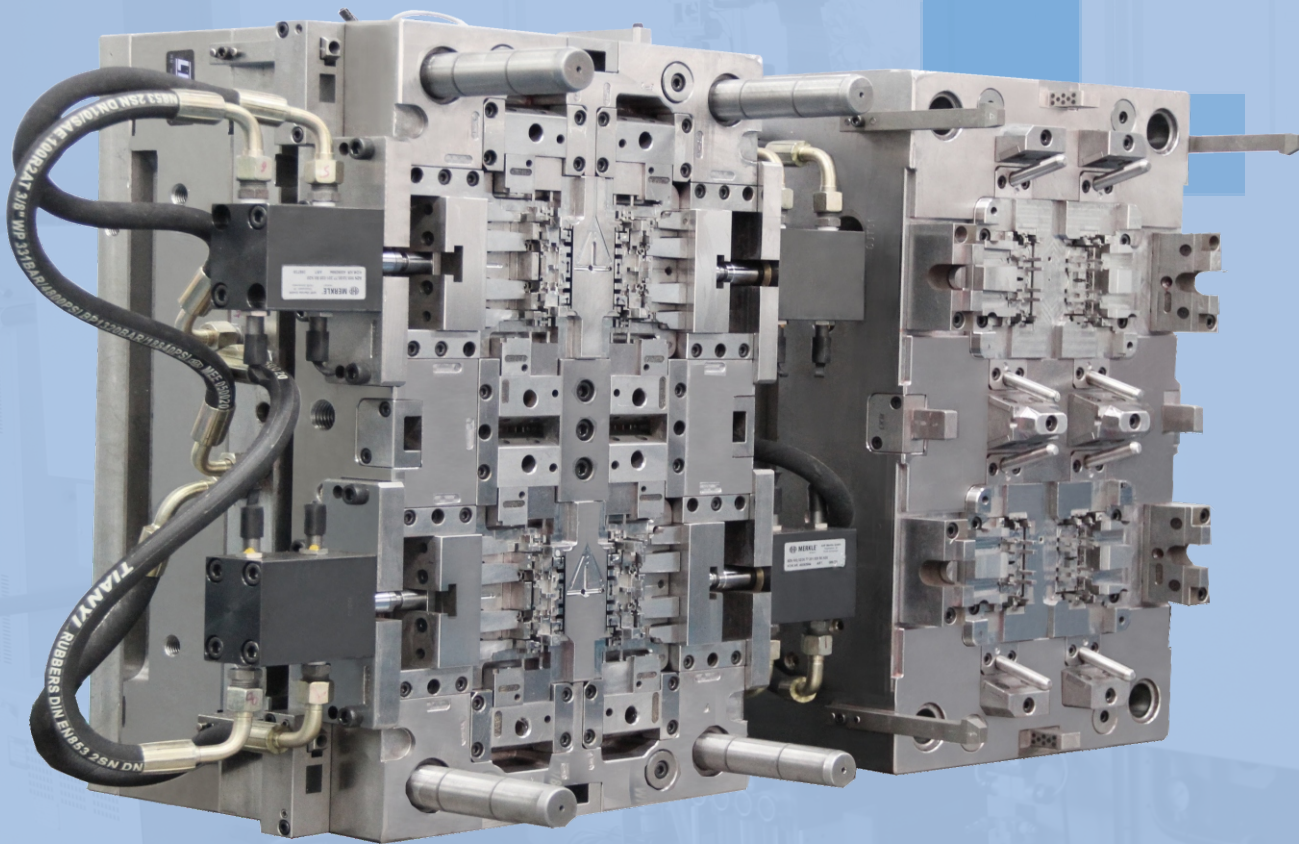

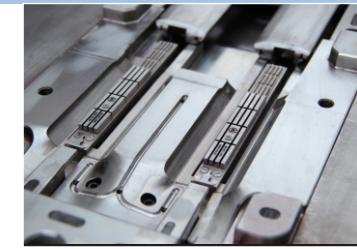

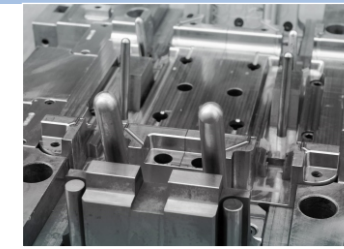

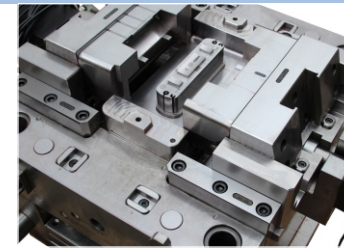

1. Moulds and Plastic Components for Telecommunication/Electronic products
2. Moulds and Plastic Components for Tools/ Measuring instruments

典型客户 Typical Customers:

医疗类模具/注塑产品
Healthcare Moulds / Plastic Parts

- 我们生产的医疗产品主要有：
1. 医疗、测试器械模具及塑胶组件
 2. 医疗保健类产品模具及塑胶组件

- The Main Healthcare Products:
1. Moulds and Plastic Components for Medical device and Testing instrument
 2. Moulds and Plastic Components for Healthcare products

典型客户 Typical Customers:

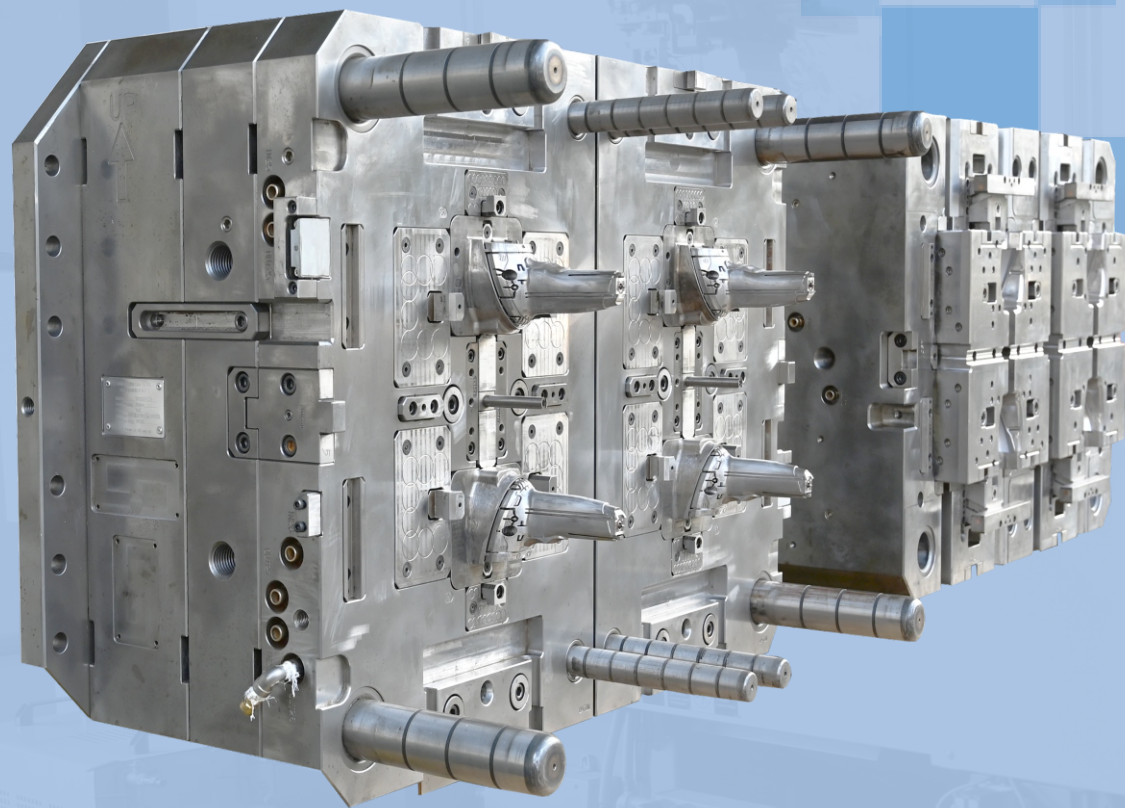

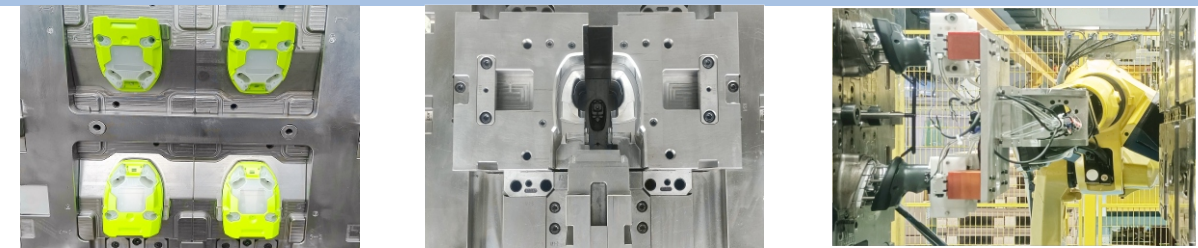

典型间接客户 Typical Indirect Customers:

双色模具/注塑产品

2K/3K Moulds / Plastic Parts

我们生产的双色模产品主要有：

1. 扫码枪产品模具及塑胶组件
2. 吸尘器产品模具及塑胶组件
3. 洗衣机操控面板产品模具及塑胶组件
4. 洗碗机产品模具及塑胶组件
5. 净水器龙头产品模具及塑胶组件

The Main 2K/3K Products:

1. Moulds and Plastic Components for Handheld Scanners
2. Moulds and Plastic Components for Vacuum Cleaner
3. Moulds and Plastic Components for Washing machine control panel
4. Moulds and Plastic Components for Dishwasher
5. Moulds and Plastic Components for Water tap

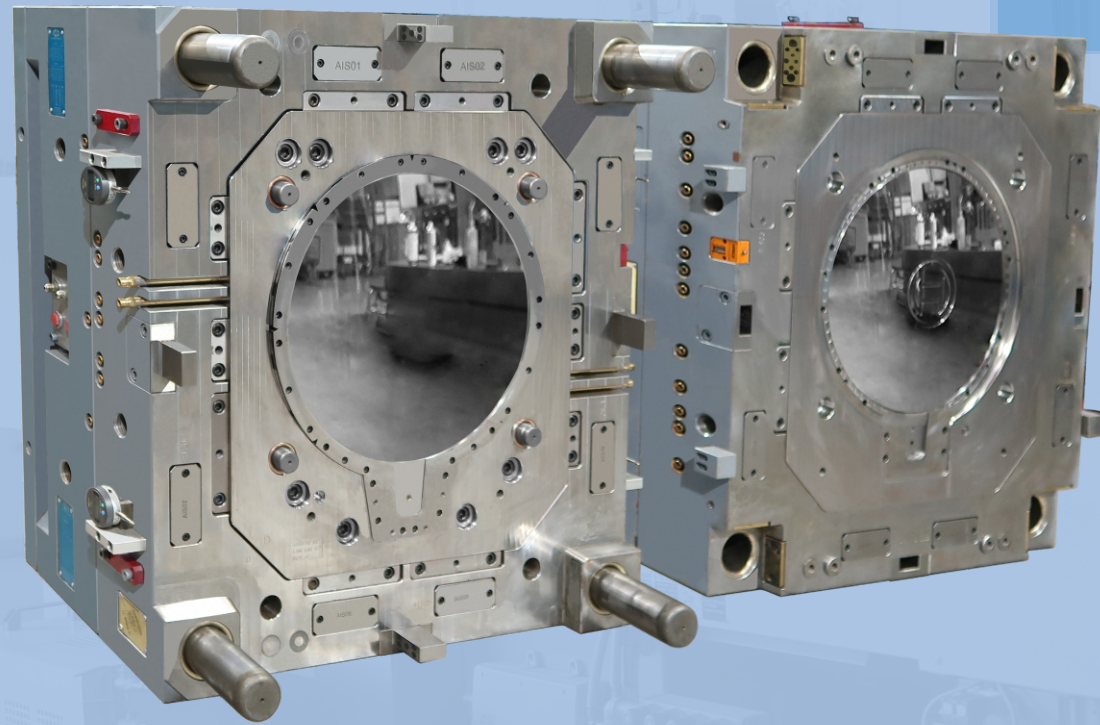

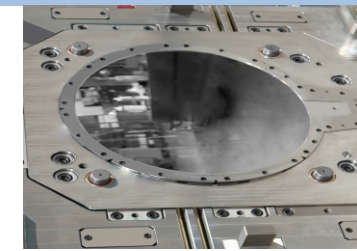

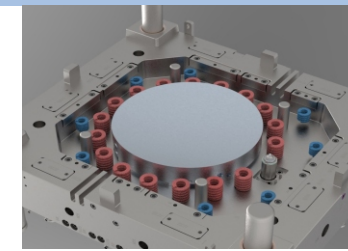

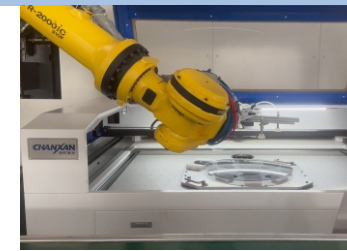

典型客户 Typical Customers:

注塑压缩工艺类模具/注塑产品

Industrial Compression Moulds/Plastic parts

注塑压缩工艺产品应用范围：

- 1. 光学制品 (镜头、 散射灯、 前灯、 显示器等)
- 2. 有良好抗袭击特性要求的零件 (笔记本盖、 汽车仪表盘等)
- 3. 大尺寸的曲面零件 (汽车天窗、 洗衣机观察窗保护罩类等)

Injection compression molding application:

- 1. Optical products (lens, headlamps, displays etc.)
- 2. Products with good anti-attack characteristics (laptop cover, automotive instrument panels etc.)
- 3. Large-sized curved parts (automotive sunroof, washing machine door glass cover etc.)

均匀的内部应力和材料分布，提高产品形状准确度
 Uniform internal stress
 Homogenous material distribution
 Good part contour shape accuracy

大幅减少产品残留内应力，降低产品翘曲变形
 Less residual inner stress
 Less warpage even after heat treatment

降低注塑与锁模压力，节省能源
 Lower Injection Pressure & Reduced clamping force
 - Energy Saving

减轻产品重量节约材料使用，降低材料成本
 Reduced wall thickness & Lower material consumption
 - Material Saving

对于相同最终壁厚的剪应力更小
 Lower shear stress with the same final part's wall thickness

可反向压缩，发泡成型，产品轻量化
 Capable of Foaming with negative ICM
 Lightweight components

消除熔接痕，预防喷射痕
 Remove welding marks
 Prevent jetting marks

典型客户 Typical Customers:

企业理念

Company Philosophy

企业愿景：

致力于成为行业中专业的以精密模具制造和精密注塑为核心，并涵盖二次加工、装配、灯具设计研发及生产制造，以及物流配送、售后服务为一体的全方位OEM解决方案供应商。

核心价值观：诚信、严谨、高效、可靠

服务理念：客户至上，品质第一

用人理念：聚德纳士，以人为本，人尽其才

经营理念：精益求精、持续发展

管理理念：成在细节，赢在执行

Company Vision:

Being a professional OEM supplier with one source solutions which include mould manufacturing, plastic injection moulding, components assembly, logistics, secondary processing, as well as lighting design and manufacturing.

Core Value:

Honesty, Seriousness, Efficiency, Reliability

Service Concept:

Customer Tops All, Quality Comes First

Employment Concept:

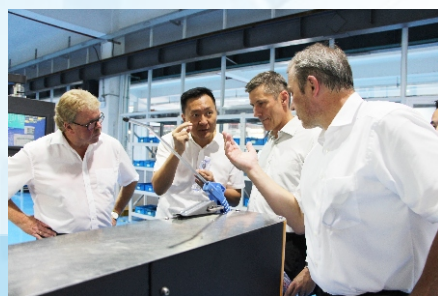

Talent Aggregated, People Oriented, Ability Maximized

Operation Principle:

Excelsior, Sustainable Development

Management Concept:

Success Depends on Details, Win in the Performance

企业文化 Company Culture

企业文化：诚信 务实 创新

提高客户满意度和达成与客户共赢共享是德仕的一项重要承诺，无论是对客户还是对德仕而言，诚信是德仕所有员工的基本准则，我们在诚信的基础上与供应商、客户和股东建立良好的合作关系，务实创新是德仕所有员工的工作态度，我们认真严谨地为客户提供优质服务。

Company culture:

Honesty, Pragmatic, Innovation
Improving customer satisfaction and achieving win-win with the customer is an important promise of EIC.
Honesty is the basic rule of all our employees, we establish the good business relations with customers/suppliers/ shareholders on the basis of honesty.
Pragmatic and innovative is the work attitude of all our employees, we will provide the excellent service to customers.

„Je näher wir uns kommen, umso weiter bringen wir es...“

„The closer we get the more we achieve.“

Günter Preuß (geb. 1940)
